

Monkey TRPA1 ion channel cell line

Product Information

Catalogue ref: SB-HEK-monkeyTRPA1

Species: Monkey

Host cell: HEK293

Quantity: 2 x 1ml (1x10⁶ cells/ml)

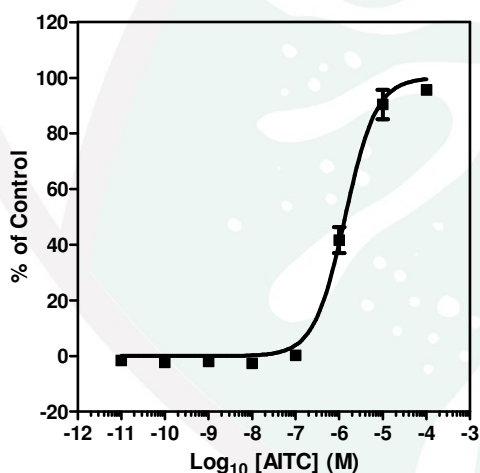

Figure 1: Dose response curve of agonist AITC against monkey TRPA1 using calcium sensitive dye assay. EC₅₀ value 1.37 μM.

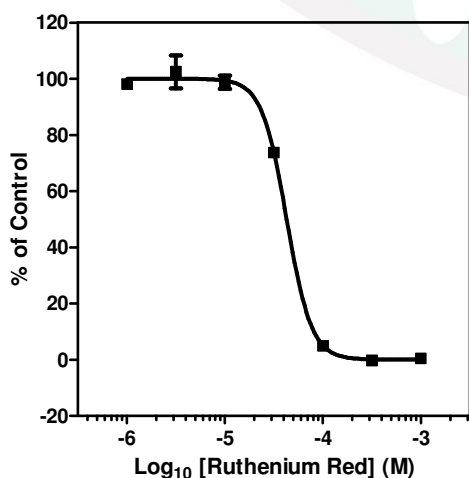

Figure 2: Dose response curve of antagonist ruthenium red against monkey TRPA1 using calcium sensitive dye assay. IC₅₀ value 42.7 μM.

Further validation data available on request.
